

Firehouse Quilts Celebrity Judges 2010

Each year, we invite local celebrities to participate in our quilt show as 'Celebrity Judges'. They don't necessarily have to know a thing about quilting or sewing or color combinations but having that knowledge doesn't eliminate them from this fun challenge.

We ask them to view all quilts entered in our contest/show and simply pick their favorite quilt. They sign the ribbon that'll be awarded for their choice and a photo of them with the quilt/ribbon is taken for our website.
